C. Rules of the Game
   1. The Game
      a. The object is to throw the disc from one team member to another traveling the length of the field and obtaining the disc in your opponent’s end zone.
         i. The disc may not touch the ground. A disc that touches the ground either by a missed catch or an opponent knocking it away will result in loss of possession and the defensive team will then be entitled to the disc.
         ii. When a disc hits the ground and rolls, a team may play the disc from either where it originally hit or where it is picked up.
         iii. The defensive team may attempt to catch or knock down a disc as long as no contact is made with the opponent.
      b. A game shall consist of 7 players. In CoRec, a team shall have 3 of one sex and 4 of the other.
      c. A game must begin with 6 players, but it may continue if injuries, ejections, or other problems force them below 6 players. In Corec, a team must begin with 3 of one sex and 3 of the other.
      d. Substitutions may be made after a score or to start an overtime period.
      e. A coin toss will determine who starts the game with the disc. The winner of the coin toss shall choose:
         i. To receive the disc
         ii. To defend a side
      f. All games will be 50 minutes in length.
      g. There are no timeouts.
      h. In CoRec, a female who is involved in a score, either throwing for a score or making a score, will count for 3 points. All other scores will count for 2 points.
      i. During regular season play, all games ending in a tie will remain a tie.
      j. Games will be self-officiated by the players but a supervisor will be present to settle any issues that arise.
   2. Pulls
      a. A game will begin with a pull taken by the team determined from the coin toss. The pull is taken from the pulling team’s end zone.
      b. A pull consists of one player on the pulling team throwing the disc to the opposing team.
      c. After a score, play will resume with a pull by the scoring team from their end zone.
d. Players on the pulling team must stay within their end zone until the disc is released; players on the receiving team must stand with one foot on their own goal line, without changing position relative to one another until the disc is released.

c. No player on the pulling team may touch the disc in the air until it has been touched by a member of the receiving team.

f. If a receiving player touches the disc then drops it, this results in a turn-over and possession goes to the other team.

3. Fouls
   a. Any foul that happens to the thrower will result in a delayed foul penalty. If the throwing team loses possession, the foul will be assessed from the spot of the foul. If the play is successful, no foul will be called.
   b. If the receiver is fouled, the play will result in possession for the team that was fouled, at the spot of the foul.

   c. The thrower shall have 10 seconds to release the disc. The defender will conduct an **audible 10-second count**. The audible count must start at one (i.e., 1...stall...2...stall...3, and so on).

   d. Defenders are responsible for contact made by the person throwing the disc. A defender must give a minimum amount of space equivalent to the frisbee’s circumference to the thrower.

   e. Defenders cannot inhibit the movement of the offensive player. No screens or illegal contact will be allowed.

   f. Double-teaming the thrower is not allowed.

4. Overtime Procedure (Playoffs Only)
   a. A tie score at the end of regulation time during playoffs shall result in a 3-minute running clock overtime period with possession determined by a coin toss.
   b. There are no time-outs in overtime.
   c. If the score is still tied after the 3-minute overtime period a sudden death period shall be played.

5. Mercy Rule
   a. If a Men’s or Women’s team is up by 4 points or if a CoRec Team is up by 10 points with 2 minutes remaining, the game shall end.
D. **Sportsmanship**

1. After each game, teams are given a sportsmanship rating by the officials, the scorekeeper, the opposing team captain, and the supervisor. The following rating system is used as a guideline for all sportsmanship ratings:

   “5” Excellent Conduct and Sportsmanship – Players cooperate fully with opponents and officials. The captain calmly converses with officials and has full control of his/her teammates.

   “4” Good Conduct and Sportsmanship – Team members display minor disagreement or unsporting behavior. Teams receiving an unsportsmanlike penalty/foul are not eligible to receive a rating higher than a “4” for that game. A team wins by forfeit.

   “3” Average Conduct and Sportsmanship – Team members display disagreement and unsporting behavior toward officials and/or opponents. Teams receiving more than one unsportsmanlike penalty/foul are not eligible to receive a rating higher than a “3” for that game.

   “2” Below Average Conduct and Sportsmanship – Team members display a serious lack of control and continuously show unsporting behavior to officials and/or opponents from the field/sidelines. The captain has little or no control of team. Must have received at least one unsportsmanlike penalty/foul to receive a “2” or below. Forfeiting teams receive a “2” rating. Teams with an unsporting ejection cannot receive higher than a “2” rating.

   “1” Poor Conduct and Sportsmanship – Captain has no control over team, resulting in an ejection. Team is completely uncooperative. Any team causing a game to be forfeited – other than by not showing – may receive a “1” rating.

   “0” Team Disqualification – Player(s) or coach(s) ejected for abuse against a staff member or opponents. Team is disqualified for unsportsmanlike acts before, during, or after the game.

   **Please help us make this system work by giving appropriate ratings.**

2. Each week, all teams that maintain a 5.0 sportsmanship average are entered into a drawing for a sportsmanship award. The team receiving these awards will also have their picture posted on the Intramural Sports website.

3. Regular Season Situations:
   a. Teams must maintain a 3.0 average throughout regular season play to be eligible for playoffs.
   b. Teams that receive below a 3.0 average for any game will be contacted by the Intramural Sports Office.

4. Playoff situations
   a. If a team receives below a 3.0 average in a playoff contest, that team will be eliminated from playoffs and replaced by the opposing team (provided the other team receives at least a 3.0 average).
   b. If neither team receives at least a 3.0 average, a double forfeit is declared and both teams are eliminated.

5. If a game is not finished due to any circumstances, the sportsmanship rating earned will stand.

6. The Department of Recreational Sports may impose additional penalties on players that are unsportsmanlike during regular season or playoff contests.
E. Ejection Procedure
Any player, coach, or fan ejected from an intramural contest for any reason must immediately leave the playing area if requested to do so by Intramural Staff. Failure to leave may result in forfeiture of the game by the team associated with the ejected person. Full cooperation with the Intramural Staff is strongly encouraged by ejected persons in order to insure a smooth reconciliation of the situation and safety for everyone.

Any ejected individual should receive an email notification from the Intramural Sports Staff as well as a notification form from an Intramural Sports Supervisor on site.

Ejected participants must contact the Intramural Sports Graduate Assistant(s) within 14 days of the ejection date. Ejected participants who do not contact the Intramural Sports Graduate Assistant(s) within this time frame may be referred to Virginia Tech’s Office of Student Conduct. Ejected participants are temporarily suspended from participating in all Recreational Sports programs and from the use of recreational sports facilities until having met with the Intramural Sports Graduate Assistant and disciplinary action has been determined. Self-imposed punishment will not be accepted.

The Intramural Sports Graduate Assistant(s) handle all ejection meetings. The Intramural Sports Coordinator may attend meetings as an observer but decision regarding disciplinary outcomes are made at the discretion of the Graduate Assistant(s). It is the responsibility of the ejected participant to contact the Graduate Assistant as explained in the ejection notice. The Graduate Assistant(s) will schedule a meeting within 3 business days once contacted by the participant.

- If a Graduate Assistant is unable to meet with the ejected individual, the Intramural Sports Coordinator will conduct the meeting.
- If a situation arises in which the Graduate Assistant(s) or Coordinator are unavailable, the meeting will be scheduled for the first date one of the three is available.
- The Assistant Director of Intramural Sports and Technology will handle all appeals.

Meetings are structured around an open dialogue to ensure all points of view are represented before outcomes are decided. Therefore, it is in the ejected individual’s best interest that the meeting is conducted in a timely fashion. An ejected individual found to be playing with an intramural team prior to meeting with the Intramural Staff results in removal of the team from further participation in the league and possibly additional outcomes for that individual.

**All one-game suspension decisions are final and may not be appealed. Disciplinary action given beyond a one-game suspension may be appealed to the Assistant Director of Intramural Sports and Technology. If an individual is still not satisfied, he/she may appeal to the Director of Recreational Sports.**
F. League Structure

1. Leagues consist of 6 teams and a three week **round robin schedule**. All teams are placed into a playoff tournament based upon the team’s win-loss-tie record provided all playoff requirements are met.

2. The following point system are used to determine the place your team finishes in the league:
   a. Win = 3 points
   b. Tie = 1 point
   c. Loss = 0 points

3. If a tie exists at the end of regular season play, the following tie-breaking system is used:

   b. Total Scores - Total Scores Allowed = Total (the team with highest total wins tie)

4. All round robin results are posted on the website for teams to review.

G. Forfeits

1. Teams must have at least 6 players (Men’s, Women’s, and CoRec) to begin a game.
   a. In CoRec there must be at least 3 members of each gender.
   b. If a team does not have the required number to start, a 10-minute grace period will begin. A team must have the required number of players by the end of the grace period or that team will forfeit the game.
   c. If neither team has the necessary number of players, the game will be recorded as a double forfeit.

2. A team that forfeits during regular season play has until 5:00pm the 2nd business day following the game to pay the **Forfeit Reinstatement Fee** ($20) online. If the fee is not paid by that time, the team will be eliminated from regular season play. The team will be replaced with a team from the waiting list or replaced with another team wishing to play an extra game. If there is not a waiting list, open spots will be filled on a first come, first served basis by contacting teams through Twitter/Facebook.

3. A forfeit during the playoffs eliminates the forfeiting team from further competition.
