

## ***INTRAMURAL SPORTS POINTS SYSTEM***

### ***“Battle for the ‘HOKIE GRAIL’ and the Crowning of the ALL-UNIVERSITY CHAMPION”***

#### **DESCRIPTION:**

The purpose of the Intramural Sports Program is to provide exercise, recreation, competition, and fun to all participants in a relaxed yet structured environment. In order to encourage more students, faculty/staff, clubs, and other university organizations to join in the fun, the Intramural Sports Program has adopted a point system that allows for the crowning of an All-University Champion at the end of each academic year. The point system provides more incentive for individuals and groups to participate in the Intramural Sports Program by keeping the thrill of competition within its limits and placing a heavy emphasis on having fun through participation.

#### **GENERAL GUIDELINES:**

All-University Points will be awarded only for activities in the Fall and Spring Semesters of an academic year. ***Teams and organizations must use the same team name for all activities registered for or include on the actual registration form the team name that they would like to have that team points registered for in order to get credit for participation in that activity.*** The number of points awarded to a team will be dependent upon the classification of the activity, performance in the activity, forfeits, scheduling, sportsmanship, and attendance at meetings. Teams will also be awarded points for all team members who officiate in the intramural team sports and meet work performance and program policies/procedures.

A Champion will be declared in the following divisions based on organizational and non-organizational categories: Fraternity, Sorority, Independent/Faculty/Staff/Grad, and Recognized Organization/Residence Hall/Military. (For you to receive points as an organization or a residence hall you must be currently registered with the university or living in that residence for the academic year. All other teams should be categorized as non-organizational.) The overall champion will be selected based on points accumulated throughout the academic year.

#### **THE PRIZE:**

The All-University Champion from each division will have their names engraved on the “HOKIE GRAIL” All-University Points Championship Trophy which will be displayed in front of the Wall of Champions in the Department of Recreational Sports trophy case. Each championship team will also be given a Championship Plaque for display within their organization signifying their accomplishment.
