**Rules of the Game**

1. The men’s and women’s game is played with 6 players per team. Each team must have at least 4 players to begin a match but the game may continue of ejections, injuries force one team below 4 players.
   a. In CoRec, there may be a maximum of 3 men and 3 women.
   b. A team may begin a match with as few as 4 players to avoid a forfeit/default provided the 4 players are 2 men and 2 women. A team must be within 1 player for the male/female ratio.
2. The game is played on a gym floor; the basketball court and the surrounding out-of-bounds areas are in play.
3. The dividing (which remains neutral) line is the division line (half-court) of the basketball court.
4. All matches will be the best 3 out of 5 games.
   a. A game will end if all players of one team are in the other team’s jail area or at the 6-minute timing cap. At the 6-minute cap, the team with the fewest players in jail wins.
   b. If the game is tied at the 6-minutes cap, there is a 2-minute, sudden death overtime period. During this period, only those players remaining at the end of the last period may participate. If it still remains a tie then another 2-minute sudden death overtime period shall be played. This will continue until a winner is determined *(Playoffs only)*.
5. Beginning the game:
   a. The game begins by placing 5 balls along the dividing line.
   b. The players must line up along the end line of the basketball court.
   c. A game official starts the game by exclaiming “Ready Dodgeball” and players may run to retrieve balls.
   d. A player may not run to the other side of the court to get a ball. A player may reach over the division line to get a ball as long as no part of his/her body touches the other side.
   e. Any ball considered out of play will be brought back into play at the earliest possible time.
6. The object of dodge ball is to throw the ball at a playing opponent and strike them anywhere between the shoulders and feet. A single thrown ball may knock out more than one player. When throwing the ball at the other team, a player may not:
   a. Hit a player in the head with the ball – the throw is nullified; no player is out but no player may catch the ball and free a player (it is as if the throw did not occur).
   b. Step over the division line – player goes to jail.
7. A thrown ball becomes dead when it hits the ground, a basketball hoop or support, a wall, or a player in jail.
8. A player may not be in possession of a ball for more than 10 seconds. If a player holds the ball for longer than 10 seconds, he/she will be sent to jail for delaying the game (e.g., kicking a ball is be considered in possession).

9. A player struck by a thrown ball remains in the game if he/she catches the ball or if it is caught by a teammate before it becomes dead. When this happens the player who threw the ball is sent to jail.

10. A player may block a thrown ball with a ball in his/her possession but if blocking a thrown ball causes the player to lose possession, he/she will be sent to jail.

11. A player goes to jail if:
   a. He/she is struck by a legally thrown ball between the shoulders and feet.
   b. If a legally thrown ball is caught by a player of the other team prior to the ball hitting the ground, the basketball hoop/supports/backboard, or a wall.

11. Jail is located along the sideline on a team’s side of the dividing line between the free throw line and the back wall.
   a. Anyone in the jail is responsible for keeping the balls from going out of play.
   b. Anyone in jail may kick or bat a ball back into play, but may not catch nor throw a ball into play.
   c. Jail is for players who have been knocked out of the game or up to 6 players who will be playing in a later game in the current match (but are not part of the current game).

12. A player may get out of jail if one of the following occurs:
   a. A teammate catches a ball thrown by an opposing player prior to the ball becoming dead.
      i. The player who has been in jail the longest returns to play.
   b. A teammate knocks over the opponent’s cone with a thrown ball.
      ii. Everyone in jail returns. Note: a ball that first contacts the floor, wall, etc. and subsequently knocks over the opponent’s cone counts as a jailbreak.
   c. The other team knocks over the cone in an attempt to block a ball from striking it or in any other way causes the cone to be knocked over. In this situation:
      i. The other team has the option of taking the knockdown and freeing their players who were in jail at the time of the knockdown or
      ii. They may decide to replace the cone and continue play with anyone in jail remaining there. The game captain will be responsible for this decision.
      iii. Note: the jailbreak cone may only be used once during a game.

**Rules not outlined in this sheet will follow the National Federation of State High School Association (NFHS) Rules**
Sportsmanship

1. After each game, teams are given a sportsmanship rating by the officials, the scorekeeper, and the supervisor. The following rating system is used as a guideline for all sportsmanship ratings:

   “5” Excellent Conduct and Sportsmanship – Players cooperate fully with opponents and officials. The captain calmly converses with officials and has full control of his/her teammates.

   “4” Good Conduct and Sportsmanship – Team members display minor disagreement or unsporting behavior. Teams receiving an unsportsmanlike penalty/foul are not eligible to receive a rating higher than a “4” for that game. A team wins by forfeit.

   “3” Average Conduct and Sportsmanship – Team members display disagreement and unsporting behavior toward officials and/or opponents. Teams receiving more than one unsportsmanlike penalty/foul are not eligible to receive a rating higher than a “3” for that game.

   “2” Below Average Conduct and Sportsmanship – Team members display a serious lack of control and continuously show unsporting behavior to officials and/or opponents from the field/sidelines. The captain has little or no control of team. Must have received at least one unsportsmanlike penalty/foul to receive a “2” or below. Forfeiting teams receive a “2” rating. Teams with an unsporting ejection cannot receive higher than a “2” rating.

   “1” Poor Conduct and Sportsmanship – Captain has no control over team, resulting in an ejection. Team is completely uncooperative. Any team causing a game to be forfeited – other than by not showing – may receive a “1” rating.

   “0” Team Disqualification – Player(s) or coach(s) ejected for abuse against a staff member or opponents. Team is disqualified for unsportsmanlike acts before, during, or after the game.

   **Please help us make this system work by giving appropriate ratings**

2. Each week, all teams that maintain a 5.0 sportsmanship average are entered into a drawing for a sportsmanship award. The team receiving these awards will also have their picture posted on the Intramural Sports website.

3. Regular Season Situations:
   a. Teams must maintain a 3.0 average throughout regular season play to be eligible for playoffs.
   b. Teams that receive below a 3.0 average for any game will be contacted by the Intramural Sports Office.

4. Playoff situations
   a. If a team receives below a 3.0 average in a playoff contest, that team will be eliminated from playoffs.
   b. If neither team receives at least a 3.0 average, a double forfeit is declared and both teams are eliminated.

5. If a game is not finished due to any circumstances, the sportsmanship rating earned will stand.

6. The Department of Recreational Sports may impose additional penalties on players that are unsportsmanlike during regular season or playoff contests.

1. All recreational division teams are eligible to play the full season in a round robin schedule.
